DISADVANTAGED BUSINESS ENTERPRISE UTILIZATION

The objectives of the Disadvantaged Business Enterprise Program (DBE) are to ensure non-discrimination in the award and administration of contracts, ensure firms fully meet eligibility standards, help remove barriers to participation, create a level playing field, assist in development of a firm so it can compete successfully outside of the program, provide flexibility, and ensure narrow tailoring of the program.

The CFRPC and its consultants shall take all necessary and reasonable steps to ensure that disadvantaged businesses have an opportunity to compete for and perform the contract work in a non-discriminatory environment. The CFRPC will ensure compliance when the CFRPC utilizes General Planning Consultants (GPC) who in turn use DBE subcontractors. The CFRPC will ensure that invoices provided by the GPC will include a breakdown of work performed and funds paid to their DBE subcontractors.

The CFRPC shall require its consultants to not discriminate on the basis of race, color, national origin, sex, age, disability, religion, or familiar status in the award and performance of its contracts.
